## PRE-EMPLOYMENT DRUG TESTING CONSENT AND RELEASE FORM

I hereby consent to submit to urinalysis and/or other tests as shall be determined by Aquascape Environmental in the selection process of applicants for employment, for the purpose of determining the drug content thereof.

I agree that Quest Diagnostic Laboratories PSC personnel may collect these specimens for these tests and may test them or forward them to a testing laboratory designated by Aquascape Environmental for analysis.

I further agree to and hereby authorize the release of the results of said tests to Aquascape Environmental.

I understand that it is the current use of illegal drugs that prohibits me from being employed at Aquascape Environmental.

I further agree to hold harmless Aquascape Environmental and its agents (including the above named laboratory or clinic) from any liability arising in whole or part, out of the collection of specimens, testing, and use of the information from said testing in connection with Aquascape Environmental's consideration of my application of employment.

I further agree that a reproduced copy of this pre-employment consent and release form shall have the same force and effect as the original.

I have carefully read the foregoing and fully understand its contents. I acknowledge that my signing of this consent and release form is a voluntary act on my part and that I have not been coerced into signing this document by anyone.
